WHIG NOMINATIONS.

FOR PRESIDENT,

WINFIELD SCOTT!

"A proposition was made to me to remain in Mexico and govern it. *They offered me one million of dollars as a bribe, with a salary of $250,000 per annum, and five responsible individuals to become sureties in any Bank in New-York which I might name.* But I loved my distant home, the soil of my own beloved country and its free institutions. I CAME BACK TO DIE UNDER THOSE INSTITUTIONS, and here I am.—[*Gen. Scott's speech.*

"I called around me men that could be trusted, and told them the hour had come for a decisive blow—that a work MUST BE DONE ON THE CANADA FRONTIER that would lift the hearts of the American People from the gloom of recent events, and enable them and their children to ring bells, to fire cannon and build bonfires IN COMMEMORATION OF AMERICAN VICTORIES that should obscure the memory of Hull's surrender. WE FELL TO WORK AND THE THING WAS DONE. The BATTLES of CHIPPEWA and LUNDY'S LANE followed.—[*Gen. Scott.*

"I shall be ready, also, to recommend or approve of a single alteration in our Naturalization Laws, suggested by my Military experience, viz:—Giving to all Foreigners the right of Citizenship who shall faithfully serve in time of war one year on board of our public ships, or in our land forces, regular or volunteer, on their receiving an honorable discharge from the service."—*Scott's Letter of Acceptance.*

"Certainly it would be impossible for me to recommend or support any measure intended to exclude them from a *JUST AND FULL PARTICIPATION IN ALL CIVIL AND POLITICAL RIGHTS NOW SECURED TO THEM* by our Republican Laws and Institutions.—*General Scott's Letter.*

I said to them that a man traveling through this State would nowhere be without a school house or church of God under his eye; and *where these go together, good faith and public credit are inevitable.* And this is a truth which cannot be too often impressed upon the mind. WITHOUT THE UNION OF EDUCATION AND RELIGION, THERE IS NO FAITH IN MAN.—*From Gen. Scott's Speech at Dayton.*

Who is the Candidate of a Foreign Power?

From the London Times.

"THE TRIUMPH OF THE CANDIDATE OF THE DEMOCRATIC PARTY, BROUGHT FORWARD BY THE MEN OF THE SOUTH, WILL SECURE, PROBABLY, FOREVER; THE ASCENDENCY OF LIBERAL COMMERCIAL PRINCIPLES, and if Lord Derby should next year be disposed to take the American tariff for his model, we have little doubt that IT WILL SERVE TO REMOVE THE LAST ILLUSIONS OF THE PROTECTIVE SYSTEM FROM HIS MIND. In this respect and on this point, we take Gen. Pierce to be a fair representative of the opinions of Mr. Calhoun, and, as such, a valuable PRACTICAL ALLY to the Commercial policy of this country."

From the Manchester Examiner.

"The election of Gen. Pierce will at any rate prove that the Democratic majority, whatever may be their other differences, are unanimous in their testimony on behalf of a liberal commercial policy, and any government he may form will be ONE ON WHICH THIS COUNTRY MAY RELY FOR EFFECTUAL CO-OPERATION IN REDUCING, wherever practicable existing impediments to international intercourse."

From Wilmer & Smith's European Times.

"As regards England, public sympathy, it is needless to say, is enlisted on the side of the Democratic candidate. Not that Gen. Pierce is considered the BETTER MAN. FAR OTHERWISE. He is merely the accepted nominee of that great party of the Union who DESIRE TO PUSH THE PRINCIPLE OF FREE TRADE TO ITS UTMOST LIMITS."

From the London Despatch.

"The two parties of the Republic, Whig and Democrat—that is, Conservative and Progressive, protectionist and Free Trade—appear to have marshalled their forces, and selected their candidates for the coming election. EVERY ENGLISHMAN, of almost every class, REJOICES IN THE EXPECTATION OF SUCCESS FOR THE DEMOCRATIC, PROGRESSIVE, FREE TRADE PARTY."

Internal Improvements.

WHIG RESOLUTION:

6. *The Constitution vests in Congress the power* to open and repair harbors, and remove obstructions from navigable rivers; and it is expedient that Congress shall exercise that power *whenever such improvements are necessary for the common defence or for the protection and facility of commerce* with foreign nations or among the States; such improvements being, in every instance, national and general in their character.

To the sentiment Gen. SCOTT cordially subscribes.

LOCOFOCO RESOLUTION:

2. *That the Constitution does not confer upon the General Government the power* to commence and carry on a general system of internal improvements.

To this sentiment Gen. PIERCE not only subscribes, but in a speech delivered by him at Bradford, N. H., no longer ago than last January, he said,

"That appropriations by the Federal Government for the improvement of rivers and harbors were of a purely Federal character, and *repugnant to the principles and practices of the Democracy of this State*," and "that no person elected to Congress from this State HAD EVER SUPPORTED measures for these purposes."

The Albany Argus says:—"The denial of the right of the General Government to prosecute works of internal improvement within the States, is, in its general terms, the doctrine of the democracy, and, as we believe, the sound constitutional doctrine."

The Religious Test.

At the last State Convention of the Whigs of New Hampshire, the following among other resolutions was unanimously adopted:

Resolved, That we believe it to have been the design of the founders of the government, to make America the Asylum of the oppressed, but never to the subversion of its distinctive character—that it may be the refuge alike from religious and political oppression, and that, within its boundaries civil privileges should be unabridged by religious opinions: THEREFORE WE, THE WHIGS OF NEW HAMPSHIRE, ARE DECIDEDLY IN FAVOR OF BLOTTING THE RELIGIOUS TEST FROM OUR CONSTITUTION.

The Whigs have VOTED on the TEST agreeably to the sentiment of this Resolution, while the Locofocos, *with the power to repeal it*, have suffered it to remain!

HOW "FREE TRADE" WORKS.

Under the Whig Protective Tariff of 1842 our exports of Provisions and Breadstuffs increased from *eleven millions* in 1843 to *twenty-seven* millions in 1846. In 1847, the great famine year, they ran up to *seventy millions*. From that point they declined, under the "beneficent" operations of the "British Free Trade" Tariff of '46, to *twelve millions* in 1849 and *eight millions* in 1851!

At the same time, and under the operation of the same system, our SPECIE EXPORTS have been steadily increasing, and amount for the last three years to *over* ONE HUNDRED MILLIONS OF DOLLARS. All this Gold and Silver has been sent abroad to pay for goods which might have been manufactured at home. And meantime our own manufacturers are failing, our Iron Foundries and Furnaces closing, and the thousands of workmen employed in them have been driven to Agriculture for the means of subsistence.

The "Pierce & King" Democracy desire to continue this state of things—to keep up British Manufactures and keep down American—to protect the Interests of Birmingham, Manchester and Sheffield and let those of Pennsylvania, New York and New England look out for themselves—to secure to British Manufacturers the monopoly of the American market—and to encourage and employ Foreign Pauper Labor at the expense of Home Industry. The Whigs and friends of WINFIELD SCOTT uphold a far different policy. They believe in protecting our own interests *first*. They desire to see American Manufactures firmly established and in successful operation. They are in favor of Governmental Protection to American Labor; to the Mechanic and Manufacturer, as well as to the Merchant and Ship owner. They are in favor, in a word, of ENCOURAGING OUR OWN, and they invite all who agree with them in this sentiment to vote on Tuesday next for SCOTT, GRAHAM and DURAND!

TRUMAN SMITH AND FEDERAL RASCALITY GENERALLY.

The Whigs are progressing admirably in the canvass of frauds. We have already informed our readers of the German Whig documents in circulation in this State stating that Gen. Scott is a Catholic and containing Scott's Native American Letter to Geo. W. Reed, with Frank Pierce's signature attached to it.—*Morning News.*

You have *falsely* "informed" your readers in this as in many other respects. The charge that any such documents have been put in circulation in this State by Whigs is a *wanton fabrication*.—We challenge the production of any such document. We challenge the production of any responsible man who has *seen* such a document. We call upon the *News* to "show the papers," to produce its witnesses, or to stand branded as a base calumniator.

Talking about "rascality generally" let it be remembered by every fair-dealing man in the community that this very *Morning News* has kept and still keeps standing, in capitals, under its editorial head, the following INFAMOUS FORGERY:

Scott's Opinion of Foreigners.

In his instructions to his recruiting officers in 1847, General Scott said:

"*You are instructed* NOT TO ENLIST FOREIGNERS, *for the Batallion of St. Patrick has taught us that* FOREIGNERS CANNOT BE TRUSTED."

This lie has been *officially* and explicitly contradicted from the Adjutant General's Office at Washington and by GENERAL SCOTT'S own Aide-Camp, Capt. SCHUYLER HAMILTON. Nevertheless with a *full knowledge* of its gross untruth these reckless party organs persist in its circulation, and in the same breath have the matchless effrontery to charge "fraud" upon the Whigs!—Desperate indeed must be the strait which drives men and presses, pretending to respectability and fair dealing, into the adoption of such infamous expedients.

Candidate for State Senator.

The Scott Senatorial Convention for the Fifth District met in this city, yesterday afternoon, and, on the first ballot, nominated AUGUSTE GREULICH of the Second Ward, as their candidate for the State Senate. We congratulate the Convention and the District upon this admirable selection.—Mr. GREULICH is an old and respected resident of our city, deeply interested in its welfare, and alive to its best interests. A German by birth, he has lived long enough in the country of his adoption to have acquired its language, grown familiar with its laws and customs, and become warmly attached to its institutions. He has already served a term in our State Legislature, with credit to himself, and satisfactorily to his constituents. He is a man of excellent sense and varied information and bears among all who know him a character above reproach. He would represent the Fifth Senate District faithfully and efficiently, and will, we cannot doubt, be zealously sustained and triumphantly elected.

The County Ticket.

We publish to-day the proceedings of the Scott County Convention held yesterday at the Court House, and place the names of the candidates at the head of our columns. The ticket will commend itself to the Scott men of Milwaukee county as unexceptionable in its character, and as being composed of men abundantly capable of filling the offices for which they are presented to the electors.

We have no time to notice the nominees individually, and can only commend them to the friends of Scott and Graham, as worthy of their support.

The whole ticket can be elected! WHIGS AND SCOTT MEN of Milwaukee County! will you see that no effort is spared to do it?

☞ It will be perceived that our esteemed candidate for Sheriff H. L. PAGE, effectually disposes of one of those floating slanders—so rife just now.—*Wisconsin.*

Such is the *Wisconsin's* queer comment upon Mr. PAGE'S denial of a "slander," published in the shape of a query in yesterday's *Morning News* that he had promised to give Sheriff WHITE, or Jailor BONHAM, an office, in the event of his election. Whether the *News*, Mr. WHITE, or Mr. BONHAM were in the *Wisconsin's* mind's eye, when it characterized this report as a "slander," the public are left to guess for themselves.

ASSEMBLY NOMINATIONS.—The Pierce Democracy of the Fourth Ward have nominated HENRY PALMER for the Assembly. In the Third Ward the same party has nominated EDWARD MCGARRY for the Assembly.

ALL TOGETHER NOW!

Four days more for work, and then comes ELECTION. MILWAUKEE, if thoroughly canvassed and every vote got out, *must* give a majority for SCOTT & GRAHAM, HOME LABOR and HARBOR IMPROVEMENTS. But we cannot hope for so auspicious a result unless *all hands* take hold and pull together. There is not a single friend of WINFIELD SCOTT and of a Protective Tariff in this city who cannot give something besides his vote to prosper the good cause. We invoke them, *one and all*, to give every spare hour between now and Tuesday, to the great work. Be not content with voting yourself, but endeavour to get your neighbour to go with you. There may be some one among your acquaintances yet undecided how to cast his ballot. If so, be it *your* honorable task to secure that doubtful vote for SCOTT & GRAHAM.—Our State hangs on a poise. One earnest, united, determined effort *carries it for* WINFIELD SCOTT! Let that effort be made *now* and let every man put his shoulder to the wheel and all heave together.

The Shamelessness of Locofocoism.

Some how or other, however fair a character a member of the self-styled "democratic" party may bear in private life, and however worthy he may seem to be to receive the suffrages of his party, there is something in its associations which too often blunts his sensibilities, and in public meetings, with the approving yells of the unterrified around him, brings out all the bad passions of the human heart. The *News*, a few days since, contained an appeal to the Young Men who are just coming upon the stage of action, to enrol themselves under the banner of "democracy." We too invite the Young Men of our city and state to read the following extract from the recent speech of Hon. JAMES T. BRADY, one of the prominent "Democrats" of New York City, delivered recently in Tammany Hall, and received with shouts of applause which made the very rafters of the building ring again. The extracts are taken from the report in the New York *Evening Post*, the oldest and most respectable Loco Foco paper of the city. The *Post* introduces the report as follows:

James T. Brady proceeded to deliver a speech, which, we regret to say, was in worse taste, and more painful to listen to, than any public speech we ever heard. We do not refer to the topics, but to the revolting illustrations and comparisons in which he indulged. *Some of them were enough to freeze one's blood.* We will give a single extract as our apology for leaving the Hall before the speech was concluded, and for declining to lay a full report of it before our readers.

We, too, ask an apology for soiling our columns with the base, ruffianly language of the speaker, and we only do it that our "Young Men" may take warning by its exhibition of the tendencies of Loco Focoism towards the very depths of perdition itself.

Speaking of the Duke of Wellington, Mr. Brady said:—

That most despicable of all Irishmen, who, *thank God, has at last been put in a position to which it is an insult to the worms to consign the miserable wretch*—I mean Arthur, Duke of Wellington.

Again, concerning Gen. SCOTT:—

And when I found that Gen. Scott undertook to deny the justice of inflicting death upon an Irishman who had been a traitor, in this country, I thought that the Irishman who would applaud him for it, *and who would not volunteer as hangman to execute the traitor, would seize his own mother.*

After these shocking indecencies comes the following exhibition of brutality:—

When he (Gen'l Scott,) ventured into the political arena, and put himself in a position which was obtained for him by *the meanest, the vilest wretch* that was ever permitted to hold a high station among our public dignitaries—by a man, who, so help me heaven, *I sincerely believe would have the corpse of his mother disinterred and laid upon the green sward* in spring, if he thought by doing so he could gain a single vote to further his purposes—I mean Wm. H. Seward—a name to be *accursed and loathed* as long as anything decent or respectable remains on the earth—he is the man who received General Scott, the other day, in Auburn—that sweet, Auburn, loveliest village of the plain?" remarkable for two things, now separated, and two things only—for Wm. H. Seward and a State Prison—and how the two managed to keep separate so long, it is impossible to conjecture.

Who wonders—who *can* wonder—at the conclusions of the Evening Post, as follows:

These brief extracts will satisfy our readers that we do Mr. Brady's speech no injustice, when we characterize it as one of the most revolting and wanton exhibitions of profanity and malignity we ever witnessed, even in a political speaker.

GAMMONING ADOPTED CITIZENS.—The Watertown *Register*, the organ of Pierce & King Democracy for Jefferson and Dodge Counties, in noticing the Assembly nominations for the Rubicon district, has the following allusion to the Scott candidate:—

His opponents have put in nomination a Mr. Lehman, a Hollander, we believe, supposing that he would draw the German vote. We are not acquainted with the gentleman, but we know some of the individuals who have put him forward, and know that they are the most bitter enemies that the foreign population, both German and Irish, have in Dodge county. Mr. Van Orden is well known to be bitterly opposed to that class of people, which he does not hesitate to express when opportunity offers.

Mr. LEHMAN is a German, and in all respects competent for the post to which the Scott men of Rubicon district *intend to elect him*. Not *daring* to assail *him*, the *Register* turns upon and barks at his friends, and among the number, at L. S. VAN ORDEN. Its charge against Mr. VAN ORDEN of "bitter enmity to the foreign population" is a *sheer and wanton falsehood*. There is not the slightest apology for the invention, save the desperate circumstances in which the *Register* finds itself. Indeed it is only put forth in the delusive hope of gammoning adopted citizens into the support of the *bona* democratic ticket. But they *can't be had.*

Senatorial.

The Milwaukee Sentinel feels very indignant over what it calls our "attack" upon the Whig nominee for Senator in this district. The Whig party and Whig candidates in this region have peculiar ideas of political propriety when it is their "ox that is gored." Dr. West sought the nomination of Senator. By exertions of his own, he was allowed to enter the ring. He knew what he had to meet. He knows that we, as well as every other true democrat, will use every honorable means in our power to defeat him.—*Waukesha Democrat.*

We give the *Democrat* the full benefit of its reasons for abusing Dr. West. It shows a remarkable style of reasoning. The Dr. is in every respect, a most estimable man in the eyes of his fellow-citizens and neighbors. His only offence is that he is a candidate for office. For this the *Democrat* pours the most miserable slops upon his head, and its only excuse is that "he knew what he had to meet!" And this course the *Democrat* calls "honorable!"

☞ The Waukesha *Democrat* indulges in a glowing eulogy upon Mr. W. K. WILSON, the nominee of the Pierce Democracy in the First Ward for the Assembly, which closes thus:

A better nomination could not have been made—a more worthy man cannot be elected, the personal and malignant opposition of the Editor of the Sentinel to the contrary notwithstanding.

The *only* allusion that has been made in the following paragraph:

FIRST WARD "DEMOCRATIC" NOMINATION.—The Caucus yesterday in the 1st Ward nominated for Assembly Wm. K. Wilson. He is a first-rate man—*to beat*, and a host of people in the Ward will be happy to attend to his case.

Our readers may judge from the above with what truth the Waukesha *Democrat* imputes to the *Sentinel* "personal and malignant opposition" to Mr. WILSON.

UNION SAVING.—The *Sentinel* publishes a long silly article without credit, from the *Cincinnati Gazette*, and of course endorsing it, charging the free soilers with desiring and endeavoring to dissolve the Union, &c., &c.—*Free Democrat.*

The article in question was copied from the Pittsburg, *not* the Cincinnati, *Gazette*, and the omission of credit was a blunder in making up the form. As to the *character* of the article, our readers can judge for themselves. We dont think it half as "silly" as the *Free Democrat*'s comments upon it.

IN MEMORY OF HON. DANIEL WEBSTER.

Pursuant to a public call, a meeting of the citizens of Milwaukee was held on Wednesday evening, the 27th instant, at the Court House of the City of Milwaukee, for the purpose of adopting such measures as might be deemed necessary for the purpose of paying every respect to the memory of DANIEL WEBSTER, America's great son.

On motion, FRANCIS RANDALL was appointed Chairman, and Dr. JAMES JOHNSON Secretary.

On motion of Jonathan E. Arnold, a committee of three from each ward of the City was appointed, one of whom to be one of the Aldermen of each Ward, to report to an adjourned meeting on to-morrow evening, Thursday, 28th inst., such measures as they should deem necessary to carry out in detail, to pay suitable honor and respect to the memory of Daniel Webster.

The following on the Committee:

1st Ward—J. E. Arnold, E. G. Ryan, Alderman Prentiss.

2d Ward—Ald. Huebschman, L. Comstock, W. Brown.

3d Ward—E. Eldred, Ald. Brown, J. H. Cordes.

4th Ward—Ald. Johnston, D. H. Chandler, J. E. Goodall.

5th Ward—Ald. Martin, Wm. A. Hawkins, J. G. Burnham.

On motion, the meeting then adjourned to reassemble at the Court House THIS evening at half-past 7 o'clock.

☞ The Committee of Arrangements are specially notified to meet at the office of Mr. J. E. ARNOLD, at 2 o'clock this afternoon.

FIRST WARD NOMINATION.

The Scott men of the First Ward, at their caucus last night, nominated JOHN H. TWEEDY as their candidate for the Assembly. This nomination must commend itself to every Elector of the Ward as eminently fit to be made. Mr. TWEEDY is one of the ablest men in this State, and will make a safe, influential and trustworthy Representative. His talents, character and experience all qualify him to adorn the post to which the Scott men of the First Ward propose to elect him. We confidently claim for JOHN H. TWEEDY the vote of *every* citizen of the First Ward who has at heart the interests, the welfare and the reputation of Milwaukee.

Qualifications for Voters.

The following singular jumble of nonsense appeared in the *Wisconsin* about a week since:—

QUALIFICATIONS FOR VOTERS.—The following are the qualifications necessary to make an individual a legal voter in this State:—

Every white male person (although not naturalized) who resided in this State June 24th 1835, and who has *declared his intention* to become a citizen of the United States *six months* or more before the day of election, and who has resided in this State *three months* next before election, and in the ward (or town) *ten days* next before election.

And every white male person (altho' not naturalized) who has resided in this State *two years* and *six months* and has *declared his intention* to become a citizen of the United States *six months* or more before the day of election, and who has resided in this State *three months* next before election, and in the ward (or town) *ten days* next before election.

And every white male person who is a citizen of the United States, and who has resided in this State *three months* next before election and in the ward (or town) *ten days* next before election.

Every voter must be 21 years of age.

If a voter is challenged, and will swear to either of the above qualifications, *his vote must be received*, it cannot be rejected.—Laws of 1850, page 257.

No other qualifications are necessary to entitle a person to vote for electors of President and Vice President of the United States than for State, District, or County officers.

We immediately pointed out the error, and the next day but one published a correct table. Yet the *News* of yesterday morning contained the same old incorrect table, and we also find it in the Waukesha *Democrat*.

What can be the excuse or the motive for thus giving false information to the people? Is it because they find that heats of our adopted citizens are going against them, and wish to require of them *six months* "declaration of intentions," and *ten days* residence in the ward, when the law requires no such thing? It looks very much like it. Let no one be deceived or puzzled by trying to study out the above mass of contradictions. Here are the qualifications required in this State:

1st. ONE YEAR'S RESIDENCE IN THE STATE AND *ACTUAL* RESIDENCE IN THE TOWN, OR WARD WHERE THE VOTE IS OFFERED.

2nd. CITIZENSHIP OR DECLARATION OF INTENTIONS.

3rd. TWENTY-ONE YEARS OF AGE, OR UPWARDS.

NOMINATIONS.—*Assembly.*—In the La Grange district of Walworth County, the whigs have nominated Jas. Lauderdale.

In this city, Edward McGarry is the dem. nominee in the Third Ward, and H. L. Palmer in the Fourth.

J. D. Howe, of Madison, Dane co., is the free soil candidate for that district.

In Jefferson co., Nelson Fryer is nominated by the locos in the Palmyra district.

In Dodge co., the same party has nominated Whitman Sayles in the Rubicon district, and Edwin Hillyer in the Chester district. Prof. Wm. Lehman is the Whig nominee in the former, and Samuel Baird in the latter.

In Washington co., Andrew M. Blair is the loco candidate for Senator in the East district.

For Assembly in the same county, the Loco Foco nominations are complete, as follows: 1st dist, Job Haskell (!); 2d dist., Reuben Wells; 3d dist, B. McConville; 4th dist., W. P. Barnes.

Won't Stand Fire!

Mr. F. W. HORN, once a Whig, but now a-dyed in-the-wool democrat," is stamping Washington County for "PIERCE and British Free Trade."—We hear that on Monday last at Richfield he made a speech abusing Gen. SCOTT. As soon as he closed MICHAEL BARTENS, a true-hearted German soldier, who served under SCOTT in Mexico, rose to refute his slanders. The Ex-Speaker, however, thinking "discretion the better part of valor," did not stop to hear what MR. BARTENS had to say, but *ran away!* The effect of this valiant conduct will be seen in the vote of Richfield on Tuesday next.

Work for Ward Committees!

The Ward Committees in each Ward should take prompt and efficient measures:

First.—To ensure a full supply of BALLOTS at the Ward Poll.

Second.—To call out *every* Scott vote in the Ward.

Third.—To see that NO ILLEGAL VOTES are polled.

We will attend to the Ballots, if our friends will send us the names. Teams and men to go with them must be provided, in *each* Ward, to get out the vote. And CHALLENGERS must be stationed at every Poll to guard against fraud.

Friends of SCOTT and GRAHAM! Attend to all these things *in season*. Don't put off the indispensable work of organization to the *last* moment. Do it TO-DAY!

MR. EASTMAN AT MINERAL PT.—The Madison *Democrat* comes to the defence of Mr. Eastman, for his very reprehensible conduct in disturbing a Whig meeting at Mineral Pt., and does the work, as might be expected, in genuine billingsgate style. Our information came from the Mineral Pt. *Tribune*, a paper which has a character for truth and veracity, which renders it decidedly better authority than the *Democrat*.

We repeat that the people of the place where the disturbance took place will understand very well how to rebuke the perpetrators of it. See if they don't!

MADISON ASSEMBLY DISTRICT.—It will be seen by our despatch that B. F. HOPKINS, of Madison, has been nominated by the Whigs of that Assembly district, in place of Mr. Collins, who declines. Mr. Hopkins is one of the old-fashioned, straightforward whigs of Dane County, always found in his place and at work. He deserves to be, and no doubt will be, elected.

Election News.

The News Agent of the N. Y. Associated Press has published a circular to the telegraphic operators throughout the country, on behalf of the press, which contains many valuable hints. If acted upon, they will materially aid in obtaining speedy and accurate information of the result of the election. We copy them below:

1st. To send the *actual majority* in each county, on the Presidential ticket, as soon as obtained, stating clearly the name of the candidate having the majority.

2d. To send the *probable majority* in each county, based on the returns from one-quarter, one-half, or three-fourths of the towns of said county, when the full vote cannot be obtained—stating the number of towns on which the estimated majority is based.

3d. To mention the name of the State to which the County belongs.

4th. To avoid sending the returns from single towns, except those of a large city, as large, for instance, as Pittsburg, Troy, and above those in population.

5th. *To avoid rumors, of all sorts, and take returns from reliable individuals only.*

6th. To avoid reporting losses and gains, as they only tend to encumber the telegraph wires and cause confusion in the returns.

SPERRARTS' MARBLE PALACE.—The N.Y. *Courier & Enquirer* says of Stewart's famous Calico Palace in that city:

The civilized world can boast of no similar establishment—of none which begins even, to compare with it in beauty of structure, in extent, in the variety and costliness of its wares, or in the amount of its sales. It is, in its way, the wonder of the age; and no traveller visiting New York, should fail to visit this business Palace of a Merchant Prince, *the sales within which, will reach this year ten millions of dollars*—which gives occupation in-doors to nearly three hundred clerks and book-keepers—and which boasts a system so perfect under the direction of one master mind, that its vast affairs are conducted with as much regularity as an ordinary retail shop which employs only a couple of clerks.

FIFTH WARD.—William A. Hawkins, it will be seen by his card, is an independent candidate for the Assembly in the Fifth Ward. He is a capable, straight-forward man, who lives above ground and is not related to the burrowing tribe.—*Free Democrat.*

Mr. HAWKINS is all that. He is honest, capable and trustworthy. A better man to represent the interests of the Fifth Ward could not easily be found.

Who's Got the Money?

Messrs. Editors:

Some of us who have "trusted" the wire-pullers, office-seekers and managers of the Democratic party in times past, and have, as yet, got nothing but *promises* in pay, would be glad to know who's got the money that their Committee is now busy collecting. We beg to suggest to the Financial Managers of the Democratic party that they had better pay off their *old debts* before contracting any new ones. Lots of us want our money. How shall we get it? Who keeps the keys?—Are they going to let another election pass over without paying up their old scores?

We wait for an answer?

Whig Assembly Nomination.

At a meeting of the Whig Convention held at Whitewater on Saturday, the 16th of October, for the purpose of nominating an Assemblyman for the Whitewater district, Mr. HEMMINWAY of Richmond was called to the Chair, and V. A. MCCRACKEN appointed Secretary.

JAMES LAUDERDALE, of La Grange, was nominated unanimously by the Convention for member of Assembly for said district, to be supported by the whigs at the coming election.

V. A. MCCRACKEN, Secty.

WAUKESHA CO. SENATOR.—Johnson Perry has withdrawn as candidate for Senator in the North District of Waukesha, and James Clark, of Summit, has been put on the ticket in his place.

British Opposition to an American Tariff.

"*The Manufacturers of America* CANNOT EXIST UNDER COMPETITION WITH ENGLAND WITHOUT A HIGHER TARIFF, *and the simple question is*, WHETHER MANUFACTURES SHALL CEASE OR NOT."—*Blackwood's Magazine.*

FRANKLIN PIERCE IS OPPOSED TO A TARIFF WHICH WILL ENABLE AMERICAN MANUFACTURERS TO COMPETE SUCCESSFULLY WITH ENGLISH MANUFACTURERS, and I will, if elected, use his whole influence in favor of the Free Trade Policy, which will curse every American manufacturer, and for which the *Manchester Examiner, the Tory London Times, and every other English paper, down to the smallest provincial sheet in Canada, are such violent advocates.* It is because Gen Pierce is considered so "*valuable and practical an ally of England*" that the English papers so warmly advocate his election. *They know that if Mr. Pierce be elected*, AMERICAN MANUFACTURES MUST CEASE TO EXIST. Is it any wonder that the British press should be painfully anxious for the election of a man pledged to do so much to *build up British Manufacturers and Capitalists?*

THE GAME OF BRAG.—Previous to every election, Locofocoism indulges itself in a game of brag. The more desperate the prospect, the more desperate the game.

In '40 they predicted the overthrow of Harrison, and in '48 that of Taylor, to a certainty.

Here are a few specimens from the Washington *Globe* in 1840:

"Good old Pennsylvania is sound to the core, set her down at 20,000 majority, at least, for Van Buren."

Pennsylvania went against Van Buren.

"Georgia will sustain Mr. Van Buren by a triumphant majority—5000 at least; the result will verify the prediction."

Georgia gave 5000 against Van Buren.

"Mr. Van Buren will get Ohio, Indiana, and Kentucky, by handsome majorities; there are changes taking place daily of whigs to Van Buren."

Ohio went against Van Buren by 23,376, Indiana by 13,969, and Kentucky by 25,373.

"Gen. Harrison *will not receive a Southern electoral vote; his nomination was made by the free States*—the Southern delegates opposed him with unexampled perseverance and unanimity."

Gen. Harrison received *eight* out of the then thirteen Southern States.

Just so they played this game in 1848. The Washington *Union* proclaimed:

"Victory is certain, for the Democracy are now aroused. Each man is buckling on his armor for the desperate conflict."

On the 21st it said:

"We put down the vote of Pennsylvania, therefore, unquestionable. A thousand circumstances confirm it. Who can despair?" "

Our prospects, indeed, are brightening every day, in Tennessee."

On the 25th it says:

"Fillmore will kill Taylor stone dead in Florida." " " The State is safe for Cass and Butler by several hundred majority. We speak from the card. " " In North Carolina all looks well."

After the election, however, when the game didn't win, the Union shouted out, "a *misdeal*" as follows:

"Gen. Zachary Taylor has been elected President of the United States. In announcing this conclusion, we cannot, of course, conceal our disappointment and regret. *Our friends in various States have been mistaken in their calculations.—They have deceived us, and we have deceived others.*"

SCOTT IN LOUISIANA.—A private letter appears in the National Intelligencer of Friday last, which says that:

"The Whig camp-fires are burning brilliantly all over the State, and Louisiana will roll up a majority larger than she has ever before for a Whig President. "Old Zack," in '48, swept through our parishes with a charge as invincible as his brave soldiers ever displayed at Buena Vista, but it is acknowledged by friend and foe that the enthusiasm of the people for Gen. Scott far

A call for a public meeting to-morrow, headed by Edward Everett, is being circulated for the purpose of erecting a Colossal statue to Daniel Webster in Boston. It is stated that the Hon. The sensation and solemn gloom that prevails with reference to the death of New England's great statesman, is every where apparent, not only in this city, but through all others where the mournful intelligence has reached, except Toledo. The response is solemnity and sadness.—We mourn a Nation's loss.

The press of this city are filled with eulogies of the departed Statesman, not one of which but speaks warmly in his praise. The tribute to his memory in the *Times* occupies 23 columns. The most extensive preparations will be made in the city, to celebrate his death.

A Deserved Compliment.—Among the many superb Safes at the Store of Messrs. Stearns & Marvin, at 146 Water st, is one of their celebrated Salamanders with Rich's improvement, which has been ordered by a Committee of Gentlemen, connected with the Press of this city and Brooklyn, in behalf of a number of Publishers of first class papers in various parts of the Union, to be presented in a few weeks to Mr. W. H. McDonald; the gentlemanly proprietor of the United States Advertising House, of this city. This Safe is one of the largest class, standing between five and six feet in height, and is fitted up in a convenient manner for the Counting Room. We had intended to give a more detailed description of this Safe, as well as of the Safes of these Manufacturers generally, with a description of their Factory, &c., but for want of room and time, shall have to defer it until our next number. In regard to the presentation which is to come off in a few weeks, we would say that many years acquaintance with Mr. McDonald, and for several years an almost daily business intercourse, has given us evidence that a more enterprising, go ahead, prompt business man cannot be "trotted out," and that of the many complimentaries we have heard of for past years, none has been of a more deserving character, or calculated to give a more substantial satisfaction to the presenters than this.—*Military Argus*, N. Y.

Burton Resigning.—We learn that the Locofocs of the first Congressional district had a grand jollification yesterday in honor of their victory of Tuesday last, and were provided with a gun, ammunition, &c., and a gunner, from a British steamer lying at anchor in one of the Southwark docks, to do up the business in fine style. This is American Democracy of the present day, or rather modern Locofocism. We are not, however, surprised at the Locofoco party of the first district availing themselves of a British gun, British ammunition, and a British gunner, to fire a salute in honor of their success. The British have just cause to rejoice over the triumph of their free-trade policy in Pennsylvania, and we have no doubt most cheerfully contribute all the means that may be required to celebrate the triumph. It was natural for the Locofocos, under these circumstances, to turn their eyes towards the British steamer for a gun, gunner and ammunition.—*Philadelphia News, Oct 25th.*

An Incident in Mexico.—The following incident told by Gov. Letcher, is to good to be lost. We copy from the Carlton, (Ky.) Mirror, an independent paper:

Having some business in the Supreme Court of Mexico, I went one morning to the Court-room. I was received as the American Minister, and was invited to take a seat upon the bench with the Court, which was composed of eight Judges.

The Chief Justice was a man of wit, and the following passed between us:

C. J.—"This is a very fine room."

Gov.—"Very, indeed!" [And truly it was.]

C. J.—"Well adapted for a Court-room."

Gov.—"Yes, very wisely arranged."

C. J.—"Yes, and this room has some distinction."

Gov.—"Ah! in what respect?"

C. J.—"Why, sir, this is the room in which Gen. Scott was tried."

Gov.—"Gen. Scott tried in this room!"

C. J.—"Yes, sir, Gen. Scott was tried in this room."

Gov.—"Why, what for?"

C. J.—"*Ah, that is what we Mexicans have never been able to find out!*"

Sudden Death.—The Watertown *Register* of the 25th instant contains the following:

Nicias Bruch, keeper of the Switzer House, died very suddenly in this town on the 21st inst. with a complaint resembling the cholera or ship fever. His wife died 2 days afterwards with the same complaint, and on the same day a niece of his son in law, Kruger was drowned in the river. Kruger's wife is also sick and little hopes of her recovery. This complaint was brought here by some immigrants upon whom the family of Bruce waited.

Fire in Bridgeport, Conn.—Mr. P. T. Barnum's celebrated mansion took fire on Tuesday afternoon last, during the wedding ceremony of Mr. B.'s eldest daughter, and for a time threatened to make the superb building a mass of ruins. As it was, the fire destroyed the roof, &c., to the extent of about a thousand dollars. The Fire Annihilator, and the new water-works put up by Mr. B., showed the valuable property from destruction. There were over 1000 guests present at the time, and the conservation may be imagined. *N. Y. Express.*

To Teachers and Friends of Education.

The Hon. Azel P. Ladd, State Superintendent, will hold a Normal Teachers' Institute, similar to those sustained in New York, Massachusetts, Ohio and many other States, by their respective Legislatures, at the Free Congregational Church, on Spring Street, in the Fourth Ward of the city of Milwaukee, to commence on Monday, the first day of November next, at two o'clock, P. M. and continue one week, under the supervision of the State Superintendent of Public Instruction.—Arrangements have been made with Mr. C. Childs, and others, to assist in the Department of Instruction.

The Institute will be organized as a School during each day, and practical instruction given in various branches of Education, and especially in the improved methods of teaching; affording to Teachers, those intending to teach, and others desirous of improvement, the advantages of a temporary Normal School.

A portion of each day will be occupied in discussions upon questions connected with Public Instruction; such as Government, Practical Management of Schools, &c., &c.

Students are requested to furnish Slates, Colburn's Intellectual Arithmetic, Porter's Rhetorical Reader, or McGuffy's Fifth Reader, and such other text books as they have.

The services of a sufficient number of friends of Education have been procured to deliver public addresses on each evening of the week.

The citizens of Milwaukee have made arrangements to entertain Teachers *free of charge*, during the session of the Institute. Teachers wishing to join the Institute, on arriving at Milwaukee, will please call on Hans Crocker, Rufus King, G. E. H. Day, or Allison Lewis, either of whom will escort them to places of entertainment previously prepared for them.

A cordial co-operation of the friends of Education is urgently solicited.

Milwaukee to a Stranger.—Mr. Thomas D'Arcy McGee, who recently visited our city, thus briefly refers to it and to his sojourn here, in the last number of his paper, the *American Celt*:

After nine hours steaming in the good boat "Pacific," (whose attentive clerk, Mr. Donahoe, has our best thanks,) we opened the Bay of Milwaukee—certainly the most splendid we have seen anywhere on the lakes. As this city and state are the goal, to which the eyes of so many of our westward bound emigrants are turned, we must describe both somewhat in detail.

Milwaukee, chiefly built of the fine creamy brick of the neighborhood, contains at present about 25,000 souls. It possesses many fine buildings, the principle of which, when finished, will be the new Cathedral. The Rev. Drs. Ives and Norris, are the Cathedral clergy at present; both converts of American birth, and accomplished scholars. The Rt. Rev. Bishop Henni, still in the prime of his life, can point to a noble prospect for Religion in his diocese.

One thing, we saw in this place which we never met in any other American city—irreligious caricatures posted up in the most public places. Some unworthy Germans are the authors of this outrage upon all decency, which is universally condemned by the citizens.

For the pleasant days passed in Milwaukee, we are greatly indebted to our old friend and agent, Dr. Johnson, whose fine property is a striking comment on the lessons of self-exertion he inculcates upon the minds of his countrymen. Our thanks are also due to Messrs. White, McManman, Power, Mahoney and others, whom to repeat would be to publish the Milwaukee directory. We will long recall

WORTHY OF ALL CONFIDENCE.

Dr. Storm's Celebrated Scotch Cough Candy.—No medicine ever invented has gained more popularity than this, nor is there any more deserving of it. There are so few compounds worthy the high merit claimed for them, that when one which is really destined to benefit the afflicted is put forth, we are slow to believe our most intimate friends, when they praise it. But Storm's Scotch Cough Candy is sold at a price so low, it must be evident to all that if it did not sustain a good reputation, enough would not be sold to pay for advertising. Almost every person that uses this article according to direction will feel justified in recommending it to others, it needs but a small outlay of money and time to satisfy the most sceptical that it is worthy of full confidence as a remedy in diseases of the Chest and Lungs.

EDWARD H. BRODHEAD,
Sept. 25, 1852. Engineer & Superintendent.

☞ Hundreds of our citizens complain of debility and languor of the system, derangement of the liver and stomach, want of appetite, &c.; they are frequently the result of too close application, and a thousand other causes we cannot here name; but we would say to all so afflicted Go as we have done—get a bottle or two of Dr. Hoofland's German Bitters, prepared by Dr. Jackson, and, our word for it, you will be cured. We recommend this medicine knowing from experience that it is much superior to the generality of patent medicines. We would say to our readers, purchase none unless prepared by Dr. C. M Jackson, Philadelphia.

AYER'S CHERRY PECTORAL.

We call attention to the advertisement of this article now in our paper, and at this season of the year when colds and coughs are so prevalent, the information it contains will not be found unwelcome. The eminent names lent to recommend it, are conclusive proof of its value. In addition to these we have been favored with the perusal of letters from many distinguished individuals as well as humble sufferers, who acknowledge their indebtedness to this valuable medicine for the recovery of their health from painful and dangerous diseases. It is at once safe and pleasant to take, and is certainly very powerful in curing when purchasing our medicines. F. C. HALE,

MISCELLANEOUS.

THE CELEBRATED
GRAEFENBERG MEDICINES,
TO THE PEOPLE OF THE WEST,

ARE RECOMMENDED BY THE COMPANY WITH renewed confidence, as efficacious remedies for most of those ills which attack humanity. They may now be said to have reached the home of every family in the Union. Since the last year the increase in sales has been enormous, and the highest and most reliable testimonials to their genuine worth, have flowed in upon us from every quarter. One agent writes, "your medicines are spoken of in this community—you do not begin to supply my wants;" in this community—you do not begin to supply my wants;" another, "that the family are endeavoring to injure their sale, but it is of no use, the neighbors see them with the best success, and advise them to use them;" another writes, "Send more of your Uterine Catholicon, the doctors can do nothing with the diseases it warrants to cure, and your medicine is working miracles," &c. &c. We can say to the public that all that may ever be said in favor of this wonderful remedy, (The CATHOLICON,) will never do its merits full justice. We have many orders from the Eastern States, which is exclusively used in their practice, as a certain cure for Prolapsus Uteri, and other distressing complaints incidental to females. Only one dollar per bottle will be paid for the NAME AND SEAL of the GRAEFENBERG COMPANY, the article has been counterfeited otherwise.

The Graefenberg Vegetable Pills continue to be one of our most popular and effective medicines. If tried in accordance with directions on each box, they will cure Fever and Ague, Biliousness and Liver complaints, Jaundice, Heart-burn, Dyspepsia, and in conjunction with the *Health Bitters*, of great power over Fever and Ague. They are confident in view of their very superior and unsurpassed facilities for the purchase of goods in the Eastern markets, from first hands, one of the firm residing and superintending the business of their concern in Philadelphia, that they can and will sell as low for cash or goods from 30 to 25 per cent cheaper than most houses in the city who buy on credit, and of jobbers, but they are once and for determined to sell that market lower. They deem it superfluous to attempt, as it is impossible to enumerate the articles that comprise their stock, which is extensive and varied by any similar establishment west of the Alleghanies.

To their friends and customers, and those who know them, it is needless to say anything, but to strangers who are in want of articles comprised in their line, they will say, call on us and let us show you the great inducements we are able to offer; we will give you polite and respectful attention, with better bargains than you are able to get elsewhere. HAWKINS'

STAVE DRESSING MACHINE.

PATENTED JULY 22, 1851.

THIS machine is now in successful operation at the shop of Wm. Hawkins in this city, and will dress Staves for

Packing, Flour and Whiskey

BARRELS,

and PIPES or HOGSHEADS, at the rate of

600 Whiskey or 800 Flour Barrel Staves

PER HOUR,

straight, winding or crooked. In fact, any stave that can be worked by hand will be dressed by this machine, either for tight or slack cooper work, in 32 inches to 72 inches length of any reasonable width, and *to any requisite bilge*, and in the most perfect manner. The stave passes through the machine a single time, is dressed by rotary cutters and is then ready for the truss hoops. The dressing of the sides and jointing of the edge of the staves is performed, perfectly. The machine is strong and firm, is easily worked, and is not difficult to keep in good order for use. Six horse power is sufficient to drive the machine with all the speed necessary.

The Subscribers having purchased of Wm. Hawkins the patent right for the United States are prepared to sell rights for States, Counties, or for running single machines and to furnish and set up the machines, warranted to perform perfectly. In the great saving of expense of transportation of dressed over the rough staves, the rapidity, and perfect manner with which it performs its work, consists the value of this machine.

Satisfactory testimonials can be furnished if desired.

HAY PRESS.

THE IMPROVED PATENT LEVER RAILWAY PRESS EXCELS ALL OTHERS now in use for pressing Hay, Cotton, Hemp, Wool, Hops, Rags, &c., and will be warranted to perform well and do double the work that any other press can with the same number of hands, with less than half the draught; a small boy can attend the horse, and the running back of the follower with ease. Time required in running up the follower, fifteen seconds. A bale of Hay can be pressed in less than one minute, at ordinary all day work: seven or eight bales can be pressed and bound per hour. Bales of Hay can be pressed, weighing over 400 lbs., measuring two feet square and four feet long. Bales of Cotton can be made compact enough without compressing.

The construction of this press is such that it does not require a building expressly for it, as it may be placed in any barn or shed, and the horse may move in any direction, or at any distance from it, and when the bale is ready for delivery, it is discharged instantly, and the follower gradually recedes at the Hay is placed in the box.

Five constructions are simple that any man can make a Press, or keep it in order.

The travel for a horse, in running up a bale, is fifty feet, while in a screw press, the travel is one mile and a half, in running the screw up and down. We have one now Pressing in operation at Waukesha, Wis., and two others in process of construction.

So great a failure of the hay crop as has occurred in all of the Eastern and Atlantic States, the present season, cannot fail to ensure a most profitable business to any persons in the interior of Illinois, who may hold or ship their Hay to these with energy. The hay may be shipped during the present fall, and three months of the spring navigation, before another hay crop is raised.

REPORT OF THE PREMIUM COMMITTEE OF THE WISCONSIN STATE AGRICULTURAL SOCIETY OF 1852.

"The Lever Railway, Hay and Cotton Press, is a machine combining great power, convenience of operation, and construction on the philosophical principles, and is a great desideratum to the farmers of all places and purposes, conspicuous to market, and also to cotton and hop growers; and the Committee think they do not exaggerate when they say it is, in their opinion, the perfection of machinery for the purpose. They have therefore awarded a premium of $20."

The Press, with the right to use it, can be purchased at less than half the cost of any other Press now in use. For rights for a single Press, or Towns, Counties and States, application should be made to the subscriber.
